Prices quoted here are net cash for plants picked up at the nursery.

The caliper, where given, determines the price. The figures in parentheses indicate the approximate height of the trees.

Specially selected specimens will be sold at prices higher than listed here, according to the quality of the plants chosen.

This List Cancels All Previous Lists.
Prices Are Subject to Change Without Notice.

You are invited to visit the nursery to inspect the trees. Please phone before coming, to make sure that someone will be here to show you around.
